

489 Castle Shannon Blvd. ↓ Pittsburgh, PA 15234

To: Residents and Staff
From: Alvin W. Allison, Jr., President & CEO
Subject: Weekly COVID-19 Update
Date: September 11, 2020

A handwritten signature in blue ink, appearing to read "Alvin W. Allison, Jr.", is positioned to the right of the "From:" line.

Baptist Homes Society continues our ongoing battle with the COVID-19 virus. Since our last weekly update on September 3, 2020, no residents on either campus have tested positive for COVID-19. We were informed late last week that a staff member in skilled nursing at Providence Point had tested positive for COVID-19. All skilled nursing residents, staff and other potentially exposed individuals are being tested.

The skilled nursing, personal care, and memory support residences continue to follow the Governor's mandates regarding visitation, communal dining, group activities, and beauty and barber services. In addition, staff and visitors continue to be screened for signs and symptoms of COVID-19 at the time of entering our buildings. Staff and visitors must wear a mask at all times while in our buildings. All packages for healthcare residents are to be left outside our entrances for delivery by our staff.

In accordance with the updated guidelines issued by the Pennsylvania Department of Health outlining the process to follow in an incremental lifting of the restrictions, Baptist Homes Society continues to work on plans for the re-opening of our campuses. The positive COVID-19 case noted above will delay the reopening process at Providence Point. We will keep you apprised of our progress in the re-opening process. More information about the state requirements to reopen can be found at <https://www.health.pa.gov/topics/disease/coronavirus/Pages/Guidance/SNF-Guidance.aspx>.

New COVID-19 cases continue to be reported in Allegheny County and throughout Pennsylvania. In order to help to contain the spread of COVID-19 and to keep ourselves, our families, and the residents we serve free from the COVID-19 virus, each of us must be diligent to continue to:

- Wear masks while at work,
- Follow the state's mandate of the expanded face-covering and mask-wearing order to, essentially, wear a mask "whenever anyone leaves home,"
- Wear masks appropriately, **ensuring mask covers both nose AND mouth,**
- Practice social distancing of 6 feet or more,
- Continue to observe appropriate cough and sneeze etiquette,
- Continue to wash hands frequently for at least 20 seconds with soap and water, and
- Use hand sanitizer frequently when hand washing is not practicable.

Thank you for your continued understanding, cooperation, and compliance with all of the measures that are in place due to COVID-19.

Please continue to keep Baptist Homes Society, our residents, and our staff in your prayers.

God bless you.
